CONSULTING SERVICES

## About

In response to a growing need for Pharmacy Quality focused guidance and enhanced pharmacy service reimbursement opportunities, MedHere Today created Out Front as a way to connect their pharmacy quality consultant's knowledge and resources with ESPhA member pharmacies. A subscription to Out Front with MedHere Today will be provided to each ESPhA member pharmacy with the full cost being covered by ESPhA. Out Front content and resources have been created as a curriculum. Each issue and resource has been classified by category and learning level (101, 201, 301, Etc.).

## Out Front Includes
